

**PLACER COUNTY  
AIR POLLUTION CONTROL DISTRICT**

**NOTICE OF PUBLIC HEARING**

**PROPOSED AMENDMENT OF RULE 233, BIOMASS BOILERS**

On Thursday, June 14, 2012, the Placer County Air Pollution Control District Board of Directors will hold a public hearing to receive comments and consider the adoption of amendments to District Rule 233, Biomass Boilers. The hearing will be held at the regularly scheduled meeting beginning at 3:00 P. M. at 175 Fulweiler Avenue, Auburn, California.

The proposed rule amendment adds the NOx emission limit of 68 ppmv corrected to 12% CO2 on a 24 hour block average.

The reason for the proposed amendment is to address issues raised by US EPA in the limited approval/disapproval of the existing rule.

By this notice, all interested parties are advised of the availability of the proposed rule amendment. A copy of the proposed amended Rule 233 is available for public review on the District web site [www.placer.ca.gov/apcd](http://www.placer.ca.gov/apcd) or at the Air Pollution Control District office at 110 Maple Street, Auburn, CA 95603, 8:00 AM to 5:00 PM, Monday through Friday. Written comments should be addressed to John Finnell at the District Office address, above.
